Welcome to the New Columbarium and Terrace Gardens of Holy Mount Cemetery

Holy Mount Cemetery (est. 1882) is nestled in the Lake Isle Section of Eastchester. The Cemetery contains over 5,500 graves and two Mausoleums on 4.5 acres of land off California Road. While there are no full-body burial spots available for purchase, we now have over 1,600 niches available for those who opt for burial through cremation.

The new Columbarium and Terrace Gardens are situated within the beautifully landscaped cemetery grounds. After you pass through the ornamental gate, you may peacefully walk the pathways that lead to the outdoor granite niche walls. Indoor niches are found in the Holy Mount Section, which features artisan stonework and exquisite stained glass windows.
